Sir.

1. With reference to your dockets no: 1476a and 1498 of the 25th Ultimo, and 1st Instant respectively, and the copies of Government communications therewith forwarded, I have the honor to inform you that out of my 31 year's service hitherto, full two thirds of the period were passed in ministerial capacities, in which the heavy duties I was entrusted with as Head Munshi, Revenue Sheristedar and Manager of the District and Divisional offices did unfortunately allow me no time at my command to practice riding. It was only in 1881 in which I was first made Amildar of Gundlepett that I maintained a horse which I purchased for 250 Rupees, and began to ride. A few months constant riding in that hot country, subjected me to the disease of piles which began to assume its severe type whenever I sat on horseback. I was therefore driven to the sad necessity of giving up riding and restoring to other mode of conveyance for travelling - a fact which was known to my then immediate Superiors viz Colonel. C.J. Pearse and late Mr. Abdulkhader the then successive Deputy Comm-

- missioner. I had no occasion to ride with those two Gentlemen as they always travelled in horse and bullocks carriages when they came to my Taluk on Jamma- bandi and other inspection duties.

2. I have been maintaining for the last 6 years, an Inspection Tonga and two strong pairs of Amrut Mahal bullocks. The monthly cost of maintaining this camp equipage was 50 Rupees hitherto, and is now 100 Rupees owing to the scarcity of fodder. I have hitherto been able to perform my Circuits expeditiously and in a manner which did not affect the due discharge of the various responsible duties that devolved upon me.

3. I shall in due obedience to the orders of Government, use my best endeavours to resume the practice of riding by purchasing a suitable horse as early as possible. I am only doubtful of the success of my endeavours in my present advanced age of 50 the year.
